MESSAGE

09-09-2018

Greetings. I am really glad to see that Abu Dhabi Mar Thoma parish is celebrating forty seventh anniversary of God's providence. I am very happy to note that the diaspora community prosper in relation to the sister churches in Abu Dhabi region. It is indeed a privilege to share about the fellowship and care parish does in these days of distress and pathos. I really appreciate Vicar Rev. Babu Kulathackal, Assistant Vicar Rev. C. P. Biju the office bearers and all the faith community who toil hard to make anniversary a memorable event. Anniversaries commemorates the values of togetherness and love. This year must be a time to recollect the memories and hardship of the people who toiled hard for the growth and upliftment of the church. Jubilee journey is the time where we see ourselves in relation to Christ. I am very happy to note this year's theme as 'Love as Jesus Loved'. We all must grow beyond from people who know Christ to people who experience Christ. Family is the basic unit where we know and experience Christ's love at its zenith. Christ must be the corner stone and the driving force for each of our family. Parish, as an extended family must become the arena to experience Christ's love, the unconditioned love who broke His Body for our redemption. I really appreciate Abu Dhabi parish who partaked in the pain and pathos of Kerala when Kerala was affected by drastic flood and its consequences. Most parts of Kerala affected very badly and in need of genuine help from everywhere to recover and rejuvenate the people from despair. I am happy that the people from different parts of the world extended their hands to help the affected people. Let our hearts may join in the beautiful prayer of Bob Pierce, founder of World Vision, 'Lord let our hearts be broken by the things that break the heart of God'. We are called to be ambassadors of this loving Christ, irrespective of class, creed, nation, gender and all types of discrimination. As salt of the earth and light of the world, Church is called to build the Church, the people of God. May the community be the beacon of hope and light people in the society.

In His Service

Diocesan Bishop
